

MEMORANDUM

To: State Board of Education
From: Becky Bowman
Date: August 23, 2012
Re: LSA #11-562

The Board previously approved proposed changes to 511 IAC 6.2-8 and 6.2-9, the rules governing interventions for consistently failing schools. Upon further review, the Department recommends that the proposed changes be withdrawn at this time. The Department will reconsider the need for rule changes subsequent to the 2013 legislative session.
